SHORT & LONG TERM RENTAL

Electronic Logging

Regulations:

Devices (ELDs)/FMCSA

All Idealease rental vehicles

can be equipped with ELDs

regulations. Check with your Idealease Rental Manager to

see if your drivers are exempt

to comply with FMCSA

from using an ELD for intrastate operations.

If an emergency happens,

will direct your driver and

and get them back on the

road as quickly as possible.

LET'S GET YOU ROLLING!

Your Idealease Rental Manager will take your Credit Application and obtain your Certificate of Insurance. Once your rental account is approved, International® trucks and tractors are only one phone call away—with no additional paperwork. Idealease allows you to focus even more attention on serving your customers and growing your business.

DEALEASE

Get Industry-Leading, **Dependable** Vehicles at a Moment's Notice

Sudden demand for more rental trucks?

With rental vehicles from Idealease, you can stay ahead of industry innovations and capture all the growth your business can handle.

OUR DIFFERENTIATORS

Idealease offers a wide variety of industry-leading International® trucks and truck specs that are **dependable and well-maintained**. In order to adhere to current FMCSA regulations, Idealease rental trucks may feature Electronic Logging Devices (ELDs).

With nearly 50,000 trucks running nationwide, Idealease helps you meet your customers' expectations. We can provide the appropriate rental truck for the job and offer daily, weekly, or monthly rentals. Our rental fleet includes:

- Day cab and sleeper tractors
- Stake body trucks
- Specialized equipment (such as yard spotters, wet line kits, and more)
- Light duty trucks spot
 *Selection and availability can vary by Idealease location.

• Dry and refrigerated straight trucks

RENTAL VEHICLES

Idealease rental vehicles are equipped for driver efficiency and comfort. Equipment generally available in our medium and heavy duty trucks include:

Medium Duty:

- Power liftgates with walkramp combination
- Rear air suspension with leveling valve
- Engine exhaust brake

Heavy Duty:

- Automated manual transmission
- · Rear air suspension with leveling valve

idealeaseinc

- Diamond interior
- AUX / USB / Bluetooth connectivity
- Air slide 5th wheel
