

TRUCK BED & SERVICE BODY PARTS CATALOG

Contact Information

Customers may contact their local servicing TexTrail Sales Representative for questions. To find the closest TexTrail Trailer Parts Location call **1-844-TexTrail** or visit our website at **www.TexTrail.com**.

Return Of Merchandise

- Merchandise may be returned only after a TexTrail Return Merchandise Authorization (RMA) code has been obtained. To obtain the RMA Code, contact your servicing division with the item, quantity and original invoice number.
- The RMA code, along with the customer name, must be shown on all labels and correspondence concerning the returned merchandise. Please do not mark directly on the returned product.
- A minimum of 15% restocking charge will be assessed on authorized returns of merchandise that was shipped as ordered by the customer. Adjustment to restocking charge may be made by pending condition of returned merchandise.
- Returns will not be postage/shipping authorized for products that are special orders.
- All returns must be prepaid and returned within 30 days of authorization in order to receive credit.
- Credits may take between one and ten business days. Customers returning merchandise due to error or mis-ordering can/will be charged a 15% restocking fee.
- Ship returns to address of shipping division with a copy of invoice and any notes or comments that are necessary to expedite the credit and return.

Damages Or Shortages In Shipment En Route

When a shipment is received damaged or received short (not specified number of pallets, boxes, bundles, etc.) it is the responsibility of the Customer to file a claim directly with the freight carrier within ten (10) days of the receipt of shipment.

Order Receipt Discrepancies

Upon receipt of your order, please confirm receipt with packing list and notify TexTrail of any quantity or item discrepancies within three (3) business days.

Galvanneal steel is the result from the process of galvanizing followed by annealing. Galvanneal is matte uniform grey color, which is painted white. In comparison to galvanized steel the coating is harder, and more brittle.

• Painted White Galvanneal

• Aluminum

• Attaching hardware is included with fender.

TRUCK BED LIFT HOISTS & SUBFRAMES

TRUCK BED LIFT HOIST & SUBFRAME FEATURES:

- Perfectly sized for a 60" CA Chassis with easy bolt on extensions for 84" CA's.
- Hoist body prop, rear hinge, fully assembled in subframe.
- Rocker style hinges accommodate structural or trapezoidal body longills.
- Integrated bolt on power unit mounting brackets and front crossmember.
- Easy bolt on hoist attachment in 45° or 50° dumping positions.
- Adaptable body guides accommodate longitudinal or trapezoidal body longills.
- Shear plate mounting kits with matching Ford Super Duty hole patterns.
- Urea tank filler knock-outs.

TECHNICAL FEATURES:

- 5" Bore x 16 Stroke Cylinder
- Fits 8' - 12' Bodies, 29.5" and 34" Truck Frames
- 5.75" Mounting Height
- 7" Subframe Mounting Height
- 8 - 17 Ton Capacity
- NTEA Class - C/20
- 3,000/1,000 psi Operating Pressure
- All Hoist can be reverse-mounted
- Subframe Rail Height is 4"

ITEM NO	DESCRIPTION
7351846	SERVICE BODY CLASS V ADJUSTABLE RECEIVER HITCH. FITS UP TO 44", 7" MOUNT PLATE 16K MGTW BLACK POWDER COAT FINISH. INCLUDES ALL MOUNTING PLATES & 5/8" HITCH PIN W/RETAINING PIN.

TRUCK BED TAILGATES | SERVICE BODY BULKHEAD

NOTE: Truck Bed Tailgates are SPECIALTY PRODUCTS that are custom made to fit specific truck beds. Contact your Sales Representative for assistance with ordering a properly fitting tailgate BEFORE making your purchase order.

You will need the Truck Bed VIN and will need to obtain the exact dimensions of the truck bed tailgate opening.

THIS IS NOT A PRODUCT TO STOCK. THIS IS SPECIAL ORDER ONLY.
